PUBLIC NOTICE

Pursuant to Article 258.002(c) of the Texas Transportation Code, the Commissioners' Court of Cherokee County, Texas, provides this notice to the public of its intention to convene a public meeting to receive comment upon the adoption of a County Road Map including each road in which the County claims the continued existence of a public interest and a right of access and egress for maintenance of an existing County Road. The roads in which the County claims a public interest have been maintained for many years, beginning some time prior to 1981, have previously been listed in a notice included in the 2006-07 Ad Valorem Tax statement. A proposed County Road Map depicting each road in which the County claims a

public interest is available for inspection by the public at the office of the County Judge in the County Courthouse, during business hours, commencing December 1, 2006.

The Commissioners' Court will conduct a public hearing on April 4, 2007, at 10:00 a.m. in the Commissioners' Courtroom in the Cherokee County Courthouse. At this time, pursuant to Article 258.002(b), Texas Transportation Code, any person asserting a private right, title or interest in a road may appear before the Commissioners' Court to object or protest the County's claim of its right to continue maintenance of the public roads depicted on the County Road Map. Any person asserting a private right, title or interest in a road may also file a written protest with the County Judge at any time before the time and date of the scheduled public hearing. By way of this procedure, the County makes no claim affecting title, acreage or ownership of the land, but seeks merely to establish and document the right of the County to continue maintenance of the existing county road in its present location and dimension.
